

# Tool Talk Safety Meeting

July 25, 2022

Failure to wear or properly wear a seatbelt is the leading traffic citation PK employee's receive when driving PK equipment. Over the previous 24 months just under half (12 of 25 traffic citations) are seat belt tickets. We need to improve.

## Four reasons to wear your seatbelt properly every time:

- 1. Seatbelt use reduces the risk of death and injury severity from crashes
- 2. It's the law
- 3. It is company policy
- 4. You can expect to pay a \$65.00 fine for a seat belt ticket
